Wedgewood makes *Los Angeles Business Journal's* Top 100 List

Redondo Beach, CA, July 13, 2015 – Wedgewood is proud to announce that it was named as one of the 2015 Best Places to Work in Los Angeles by the *Los Angeles Business Journal*.

*"Wedgewood employees share an entrepreneurial spirit and are passionate about their work. We strive to make sure our employees love coming into the office every day, and we are proud to be recognized as a great place to work."* - Michele Tasker, Director of Human Resources

This survey and awards program is designed to identify, recognize and honor the best employers in Los Angeles, benefiting the county's economy, workforce and businesses. The list is made up of 100 companies.

Companies from across the county entered the two-part survey process to determine the Best Places to Work in Los Angeles. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems and demographics. This part of the process was worth approximately 25% of the total evaluation. The second part consisted of an employee survey to measure the employee experience. This part of the process was worth approximately 75% of the total evaluation. The combined scores determined the top companies and the final rankings. Best Companies Group managed the overall registration and survey process in Los Angeles, analyzed the data and determined the final rankings.

The actual rankings will be revealed at a special event on August 19, 2015, then published in the August 24, 2015, issue of the *Los Angeles Business Journal*.
