Seattle, WA – [Laura White, Windermere Real Estate/East Inc.](#), is featured in a special section of the December issue of *Seattle* magazine as a 2015 Five Star Real Estate Agent award winner.

Five Star Professional partnered with *Seattle* magazine to identify and showcase an exclusive group of real estate agents who have demonstrated excellence in their field. Less than 7 percent of agents in the Seattle area received this recognition.

“I specialize in helping my clients discover and best realize their real estate goals. My motto is "Integrity You Can Count On" and I take it very seriously. Being a result-oriented professional, I balance effective strategies, market knowledge and negotiating expertise with a high level of integrity. Your home may be your single largest investment and one of the biggest financial transactions you'll ever make. The process of selling a home is becoming increasingly more difficult. The selection of an agent to represent your interests in the sale and marketing of your home is the most important step in the selling process. After purchasing my first home and experiencing a somewhat difficult transaction. I thought there must be other people like myself who would like to work with a skilled real estate broker who really looked out for their best interests,” says Laura White of Windermere Real Estate/East Inc.

The 2015 Five Star Real Estate Agent award winners have been carefully selected for their commitment to professional excellence and overall client satisfaction. The award is based on rigorous research with significant focus on customer feedback and providing quality services.

“First and foremost, I listen to my clients. I am your point of contact and want the process of selling your home to be an enjoyable and pleasant experience. I am committed to excellence in service with a caring touch,” she says.

“It is a privilege to present exceptional real estate agents with the Five Star award each year. While agents are evaluated on experience and production levels, the foundation of the award is client satisfaction. These elite agents have worked hard to get where they are while continuously delighting clients along the way,” says Lynn Hargreaves, VP, Research and Services Operations, Five Star Professional.
