

VENUS MARS PROJECT

JACYN TREMBLAY

Jacyn is a singer and songwriter with a passion for baking and the color purple. She has been performing and creating music since she was 4 years old. Captivated by the stage, she has performed in countless choirs, theater companies, and musical acts ever since she can remember. She takes pride in finding the greatest happiness in reaching people through music.

Career Highlights

- Formerly signed to Universal Motown Records with female pop/r&b vocal quartet Jada.
- Had international hit singles produced by Akon, RedOne, Andrew Frampton, and Wayne Wilkins.
- Ambassador to Music Drives Us Foundation.
- Performed at major sporting events including Madison Square Garden, TD Garden, Gillette Stadium, and at the KISS (108FM) Concert.
- Bachelor of Arts in Music and Theatre.

PETER TENTINDO

Peter is a respected professional guitarist, singer, songwriter, session musician, and teacher. He has been playing guitar since he was 10 years old. Peter has performed with many well-established acts, including one of his rock heroes, Jimi Jamison, the former lead singer of Survivor. Peter realized at an early age that he would devote his life to music.

Career Highlights

- Lead guitarist and backing band leader for Jimi Jamison (former lead singer of Survivor.)
- Opened for nationally respected acts like Alice Cooper, Heaven & Hell, and Queensryche.
- Played at many of Boston's premier venues such as the Comcast Center, the Paradise Rock Club, and the House of Blues Foundation Room.
- Also opened for popular Boston acts like Ernie & the Automatics and J. Geils bassist Danny Klein.
- Bachelor of Arts in Music.
