OnRamp Showcases Channel Partner Program at XChange 2015 Conference

AUSTIN, TX – OnRamp, an industry leading high security and hybrid hosting provider with data center facilities in Austin, TX and Raleigh, NC, announced today its sponsorship of The Channel Company's (CRN) XChange 2015 Conference. This event, taking place August 9th-11th in Washington, D.C., will bring together IT decision makers and solution providers for product demonstrations, educational sessions from leading industry speakers, and networking opportunities. OnRamp will attend to showcase the company's best-in-class data center solutions and to form partnerships with MSPs (managed service providers), ISVs (independent software vendors), and VARs (value added resellers) who are interested in capitalizing on the fast growing hybrid hosting market.

Since establishing the OnRamp Channel Partner Program in 2013, the company has received numerous accolades from CRN. OnRamp was named to the Channel Partner Guide's 5-Star Security Vendors, 5-Star Cloud Vendors, and 5-Star Storage Vendors lists in 2014, as well as the MSP 500 Hosting 100 list in both 2014 and 2015.

"We understand that partners want to work with companies that, in addition to providing a variety of services and a focus on customer support, are easy to do business with…and OnRamp is just that," stated Senior Director of OnRamp's Channel Partner Program, Drew Jenkins. "Much of the success we've gained from our channel partner program comes in the breadth and depth of the services we offer as a provider of colocation, managed hosting, and cloud delivered services, our focus on compliance, and in our approach to working with our partners to make them successful."

Several members of the OnRamp team will attend the 20th Annual XChange 2015 Conference to educate attendees on the benefits of joining the OnRamp Channel Partner Program. In addition to being available for walkup visits in the solution pavilion Booth #408, OnRamp will be accepting scheduled one-on-one appointments on a first come, first serve basis. To reserve an appointment window, contact partners@onr.com.
