Hawthorne Power Systems Announces Summer Truck Service Specials

Save on Tune-up, Radiators, Air Brakes and More for On-Highway Trucks

San Diego, CA — Hawthorne Power Systems, the authorized sales, rental, parts and service dealer for Cat electric power, back-up power and stand-by power equipment, and industrial engines, announces limited-time, service specials for on-highway trucks. Through September 30, 2015, San Diego customers can take advantage of special pricing on several truck services including tune-ups, radiators, air brakes, air conditioning, cooling systems, clutches, engine overhauls and more.

Joel Gollihur, Hawthorne Power Systems Truck Service Manager, says, "This is the perfect time to upgrade your on-highway truck. Our extensive list of limited time service specials can get your truck looking and operating like new again." Gollihur adds, "These specials won't last long, book your service appointment today!"

Note: as of October 1, 2015, the Hawthorne Truck Shop will be located at 10930 Willow Court, San Diego, CA 92127-2410.

Contact Joel Gollihur, Truck Service Manager, at 858.503.6619 or jgollihur@hawthornecat.com to schedule a service appointment and learn about the current special offers.

About Hawthorne Power Systems

Hawthorne Power Systems is the authorized Cat dealer in San Diego, Hawaii, Guam, Saipan and American Samoa. Hawthorne provides sales, rentals and services for the power generation, marine, trucking and other engine-related markets. It has outstanding skills in building, rebuilding and packaging engines and power systems of all sizes, ranging from truck engines and turn-key generator plants to cogeneration and standby power.
