Five Star Professional has been conducting market research to define and promote professional excellence in service professionals since 2003. Its Five Star Real Estate Agent award program is the largest and most widely published real estate agent award program in North America.

Real estate agents are awarded based on an in-depth research process. Thousands of consumers are contacted to rate their real estate agent on 10 evaluative criteria including customer service, market knowledge, negotiation, closing preparation and overall satisfaction. Beyond a qualifying client evaluation score, real estate agents are evaluated on objective criteria such as experience, production levels and disciplinary and complaint history.
