## **“The Game Changer” THE FIRST CARBIDE-TIPPED RECIP BLADES FOR METAL CUTTING**

### **PRODUCT DESCRIPTION**

Diablo’s industry-first, carbide-tipped metal-cutting reciprocating blade has earned its status as The Game Changer. This blade cuts all metals as well as high-strength alloys, cast iron, and stainless steel...saving time, money, and effort. The Game Changer’s cutting life is *20 times longer* than standard bi-metal blades in extreme thick metal-cutting applications (between 3/16 inch to 1/2 inch). Extremely versatile, these blades provide premium performance for construction professionals, remodelers, electricians, plumbers, and everyone who needs to cut through metal with a minimum of expense and time. The Game Changer has even become a life-saver, giving first responders unparalleled speed and precision in vehicle extrication.

### **FEATURES AND BENEFITS**

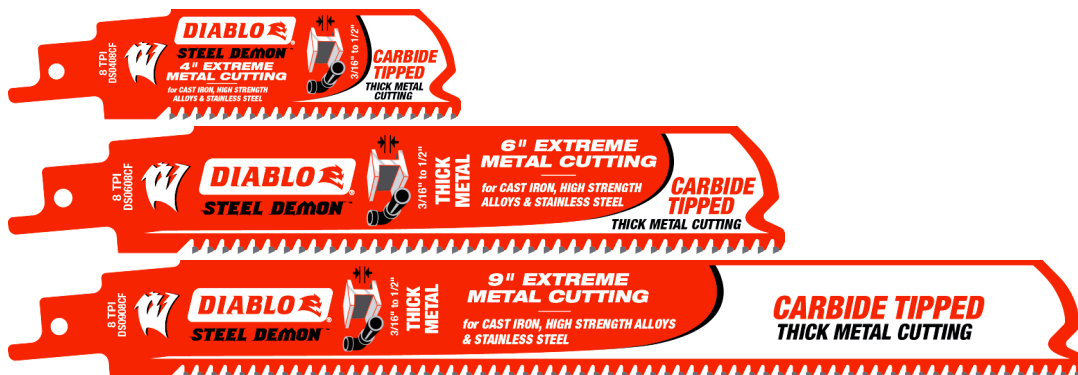

- **HIGH PERFORMANCE CARBIDE** for greater durability and cutting performance in thick metal
- **ENHANCED CARBIDE TIP TO BLADE CONNECTION** for extreme impact resistance
- **1 IN. OVERSIZED BLADE BODY** for straighter cuts with less vibration
- **PERMA-SHIELD® NON-STICK COATING** for less heat and friction
