## **Sackett Systems Appoints Ginny Gilbert As Director Of Dealer Sales**

Sackett Systems is pleased to announce the appointment of Ginny Gilbert to the position of Director of Dealer Sales. In this role, Ginny will be the primary contact in Sackett System's relationships with dealers in its nationwide dealer network. She will be charged with building Sackett's dealer network and assuring that our existing dealers are highly satisfied in their relationships with Sackett Systems.

Ginny brings a wealth of experience and capability to this new assignment. Ginny was the CEO of Gilbert Construction for 10 years, and in that role, was known for her ability to develop mutually beneficial relationships with a wide range of subcontractors, architects, and developers. This demonstrated ability will serve her well as she seeks to develop and deepen our relationships with key dealers.

Tim Roberts, Vice -President of Sales said of Ginny, "From my past experience with Ginny, I am confident I can count on her to support our valuable dealer network with a positive, can-do approach, and the highest level of responsiveness. I have valued her ability to build productive long - term relationships with key partners." Ginny commented, "I am excited to assume the role of supporting the invaluable relationships that Sackett Systems seeks to maintain and grow with its dealer network."

Over the next few months, Ginny and Tim will be scheduling face-to-face meetings with dealers. This is a first step in assisting our valued dealers in expanding their business and satisfying their customers.
