The Nightstick NSP-4614B Low-Profile Multi-Function Dual-Light™ Headlamp is designed specifically to work on hard hats that have a flip-up face shield. The unique low-profile shape allows the user to work without having to remove the headlamp when raising or lowering their face shield. The NSP-4614B is manufactured from glass-filled nylon polymer and features a multi-position tilt head design. Both the spotlight and the floodlight use CREE® LED's and an advanced (TIR) Total Internal Reflection set of lenses designed to optimize lumen output and beam pattern. The spotlight and the floodlight are both rated at 150 Lumens in high mode and 75 Lumens in low mode. Front mounted dual switches provide easy access to the spotlight for distance illumination, the floodlight for close-up illumination, and Dual-Light for maximum lighting, versatility and user safety.

The NSP-4614B includes a heavy-duty rubber head strap for use on a hard hat, as well as a non-slip elastic head strap for use on a ball cap or directly on the user's head. Power is supplied from 3 AAA batteries (included).

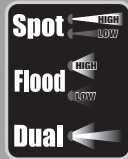

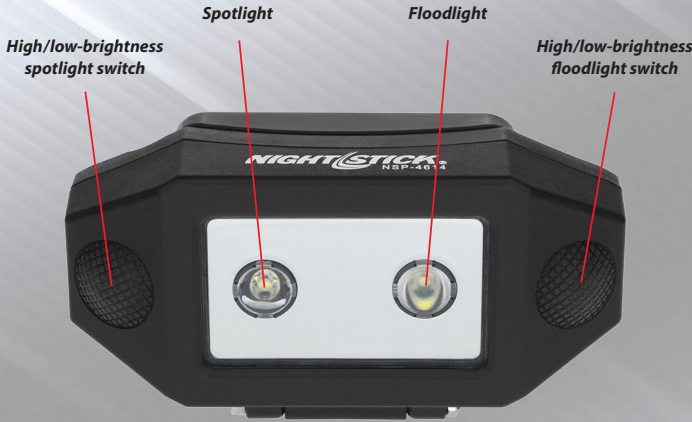

NSP-4614B

- Low profile design
- 5 Lighting modes: high/low-brightness spotlight & high/low brightness floodlight and Dual-Light
- Glass-filled nylon polymer housing
- Powered by 3 AAA batteries (included)

NSP **4614B**

Low-Profile LED Multi-Function Dual-Light™ Headlamp

NSP-4614B

FEATURES

- CREE® LED technology – 50,000 + hours LED life
- Focused high/low-brightness spotlight beam for distance illumination
- Unfocused high/low-brightness wide-beam floodlight for close-up illumination
- Dual-Light™ (spotlight and floodlight on at the same time) for maximum versatility
- Glass-filled nylon polymer housing
- (TIR) Total Internal Reflection lens designed to optimize lumen output and beam pattern
- Dual switches located on front of light
- Adjustable tilt head
- Heavy-duty rubber strap for hard hat applications
- Non-slip elastic head strap
- IP-X7 rated waterproof
- Impact & chemical resistant
- Powered by 3 premium AAA batteries (included)
- Limited Lifetime Warranty*

*Limited Lifetime Warranty • Product is warranted to be free from defects in workmanship and materials for the original purchaser's lifetime. The Limited Lifetime Warranty includes the LEDs, housing and lenses. Rechargeable batteries, chargers, switches, electronics and included accessories are warranted for a period of two (2) years with proof of purchase. Disposable, non-rechargeable batteries are excluded from this warranty. Normal wear and failures which are caused by accidents, misuse, abuse, faulty installation and lightning damage are also excluded.
