**Madera, CA** – Lou Wiebe, Action Real Estate & Construction, is featured in a special section of the September issue of *Central Valley Magazine* as a 2015 Five Star Real Estate Agent award winner.

Five Star Professional partnered with *Central Valley Magazine* to identify and showcase an exclusive group of real estate agents who have demonstrated excellence in their field. Less than 7 percent of agents in the Fresno-area received this recognition.

“I have been full time in the real estate business in the Central San Joaquin Valley (Madera, Fresno, Clovis, Chowchilla) since 1979 and a broker since 1985. I am forward thinking, technologically savvy, diplomatic, one heck of a negotiator, a skilled problem solver, empathetic, extremely ethical, and treat every transaction as if it were my own. Plus, I’m an *exceptional* Realtor and if I had a choice of Realtors, I would want me! Experience real estate the way it was meant to be; fun, exciting, and with no stress,” says Lou Wiebe of Action Real Estate & Construction.

The 2015 Five Star Real Estate Real Estate Agent award winners have been carefully selected for their commitment to professional excellence and overall client satisfaction. The award is based on rigorous research with significant focus on customer feedback and providing quality services.

“It brings so much satisfaction to know that I am reaching my goals in real estate by being a true advocate for the buyers and sellers I have represented in a real estate transaction. It is a privilege to be named a 2015 Five Star Agent. Thank you to all my clients for taking the time to recommend me and favorably evaluate my service. My clients are the reason I do what I do. It is rewarding to know that I am making a positive impact on their lives. I entered this profession to help buyers obtain the American dream of homeownership. I have been president of the Madera Association twice in 1988 and 2007 and am a member of the Madera Rotary Club of Madera. I am always looking for opportunity to give back to the community in which I work and live,” Lou says.

“Five Star Real Estate Agents are more than knowledgeable experts in their field. They maintain a sharp focus on building enduring relationships and demonstrate tremendous dedication to the families and individuals they serve,” says Lynn Hargreaves, V.P. Research and Services Operations, Five Star Professional.
