## Belvoir Federal Awards Members over \$3300 in Mortgage Contest

Woodbridge, VA, August 10, 2015 — In an effort to increase our real estate loan portfolio, Belvoir Federal Credit Union launched a marketing campaign to drive in additional business while rewarding members in the process.

For a limited time, members could enter a contest whereby every person who closed their mortgage loan before mid-July would receive a \$50 Home Depot gift card and one lucky winner would randomly receive the grand prize of \$2,500.

The “Win-Win-Win” Mortgage contest was well received by members. The theme centered around the member receiving a low, competitive rate on their mortgage loan, the free \$50 gift card, and the added opportunity to possibly win \$2,500.

Marcia H. from Richmond, Virginia was the grand prize winner and was ecstatic to learn she had won the big prize. “I can’t believe I won but am so grateful. This is amazing. Thank you so much Belvoir,” stated Marcia.

“As a credit union, Belvoir Federal continually gives back to our membership and community. This is just one way, we are able to give back to our members who trust us with their finances,” stated Jason Lindstrom, Chief Marketing Officer of Belvoir Federal.
