Sackett Systems Appoints CAPS Systems Ltd As Dealer for Battery Exchange Systems In The UK.

Sackett Systems is pleased to announce the appointment of CAPS Systems Ltd as the dealer for Sackett Systems line of Battery Exchange Equipment in the UK. CAPS has developed a reputation as knowledgeable and responsive partner to Battery Dealers, Fork Truck Dealers and end-user Customers in the UK market for Battery Exchange Equipment.

"We look forward to a productive and mutually beneficial relationship with CAPS, and up and coming player in the UK market for Battery Exchange Equipment" said Tim Roberts, Sackett Systems Vice President of Sales. Chris Smith, Managing Director of CAPS commented, "The whole team at CAPS is excited to be associated with the quality and reputation for excellence that comes with Sackett Systems. We expect this new association to make an immediate impact in the UK market."

To contact CAPS for business within the UK and Ireland, please call Chris Smith, Managing Director at 07769 274 161, or email him at chris@capssystems.co.uk
