

2015 Five Star Real Estate Agent Award Bestowed Upon Bruce Drogsvold, Wright Kingdom Real Estate

Bruce Drogsvold named one of Denver's outstanding real estate agents with fewer than 7 percent awarded.

“As a longtime member of the Boulder community, I have provided professional expertise to hundreds of buyers and sellers resulting in over 20 years of successful transactions,” Bruce says.

Boulder, CO – Bruce Drogsvold, Wright Kingdom Real Estate, is featured in a special section of the Month issue of 5280 magazine as a 2015 Five Star Real Estate Agent award winner.

Five Star Professional partnered with 5280 magazine to identify and showcase an exclusive group of real estate agents who have demonstrated excellence in their field. Less than 7 percent of agents in the Denver area received this recognition.

The 2015 Five Star Real Estate Agent award winners have been carefully selected for their commitment to professional excellence and overall client satisfaction. The award is based on rigorous research with significant focus on customer feedback and providing quality services.

“I greatly appreciate and thank the sellers and buyers that trusted me to help them make the difficult decisions necessary to successfully achieving their real estate dreams.” says Bruce

“The home buying and selling process can be very stressful. Five Star Professional works hard to identify those outstanding real estate agents that can make all of the difference. Five Star Real Estate Agents are experienced professionals that get top marks from their clients and get results,” says Josh Kimball, V.P. Marketing, Five Star Professional

About the research process:

Five Star Professional has been conducting market research to define and promote professional excellence in service professionals since 2003. Its Five Star Real Estate Agent award program is the largest and most widely published real estate agent award program in North America.

Real estate agents are awarded based on an in--depth research process. Thousands of consumers are contacted to rate their real estate agent on 10 evaluative criteria including customer service, market knowledge, negotiation, closing preparation and overall satisfaction. Beyond a qualifying client evaluation score, real estate agents are evaluated on objective criteria such as experience, production levels and disciplinary and complaint history.

There is no fee to be considered or awarded. Visit www.fivestarprofessional.com for more information.
