- Immediate ROI
- Simplify IT Infrastructure
- Reduce IT costs
- Transform user experience and insight
- Improve user productivity
- Flexibility
- Elastic scalability
- Easier integration
- Security and reliability
- Disaster recovery
- Innovation
- Competitive advantage

In response to the growing need for business leaders to rapidly accelerate the delivery of new capabilities for their customers while preserving their ERP solutions, GSI provides a comprehensive suite of services to rapidly and seamlessly incorporate new adaptive features of Oracle Cloud applications to extend the enterprise.

The new service offerings will allow the customers of JD Edwards and other ERP systems to quickly deploy and integrate the new capabilities of Oracle Cloud applications with their current ERP system, while providing an immediate ROI. The solutions can integrate with JD Edwards installed on-premises as well as with JDE Cloud<sup>9</sup>, a complete cloud-based hosted service for Oracle JD Edwards offered by GSI.

Consulting, Implementation, Integration, and Support Services:

- Oracle HCM Cloud (Human Capital Management)
- Oracle Sales Cloud
- Oracle CX Cloud (Oracle Customer Experience)
- Oracle ERP Cloud (Enterprise Resource Planning)
- Oracle EPM Cloud (Enterprise Performance Management)
- Oracle SCM Cloud (Supply Chain Management)
- Oracle Service Cloud
- Oracle Analytics
- Oracle PaaS (Platform as a Service)

**JD Edwards Experience.  
Business IQ. Cloud Sense.**

The Oracle Cloud applications have been incredibly popular with JD Edwards and other ERP clients; therefore GSI, Inc. has developed its suite of services to be able support these businesses in the rapid utilization of the applications. GSI's mission is to make every customer a client by offering competitively-priced, fully-customizable products and services, providing only the most experienced consultants, and delivering the highest level of service day-after-day, year-after-year.

### GSI, Inc.

As a certified Oracle Platinum Partner and a recognized industry leader, GSI, Inc. ([www.getgsi.com](http://www.getgsi.com)) specializes in providing a broad spectrum of business, functional, and technical consulting services for Oracle JD Edwards and Oracle Cloud.

The client-centric consultancy offers a comprehensive suite of solutions for JD Edwards including JDE Cloud<sup>9</sup>, a complete cloud-based hosted service; AppCare, a 24/7 managed service; GENIUS, an advanced monitoring application; GENISYS, a solution for modeling, measuring and maximizing system performance as well as RapidReconciler<sup>®</sup>, its inventory reconciliation software.

GSI, Inc. also provides a broad spectrum of implementation, integration and support services for all Oracle Cloud applications to help companies accelerate the adoption of new capabilities in their enterprise.

GSI consulting services are backed by its signature 100 percent satisfaction guarantee. Founded in 2004, the rapidly growing company is headquartered in Atlanta with locations nationwide. GSI, Inc. was recently named in Inc. Magazine's list of fastest growing companies, being selected #1,432 on the Inc5000 (<http://www.inc.com/profile/gsi>).
