**Natashae Runnels Joins Go Healthcare Staffing as
VP Business Development and Accounts**

CHARLOTTE – Aug. 10, 2015 – [Go Healthcare Staffing](#), a new travel nurse staffing firm based in Charlotte, N.C., today announced that 18-year industry veteran Natashae Runnels has joined the company as Vice President of Business Development and Accounts. In her new role Runnels will develop and manage the business development and account management teams, and work closely with clients to ensure they receive exemplary customer service and staffing solutions nationwide.

Runnels vast industry experience includes progressive sales, staffing, recruitment, training, and client development for both Nursing Professionals and Allied Health Professionals staffing. Some of her former positions include Director of Recruitment, Director of Account Management, Branch Manager, Business Development and Recruitment Manager. She holds a Bachelor's of Science in Healthcare Management Concentration from Baylor University.

"It is an honor to join such an amazing organization," said Runnels. "Go Healthcare Staffing is all about improving and creating new innovations within the current travel nursing landscape. I am looking forward to these challenges and making a difference."

"Bringing Natashae onboard is going to be a tremendous asset to Go Healthcare Staffing and another example of our commitment to bring in the biggest and brightest stars from the travel nursing industry," said company president Randy Holloran. "Her spirit and determination for excellence exemplifies everything we stand for. She truly understands this industry and will be instrumental in helping us accomplish our goal of bringing a fresh approach to travel nursing and turning this industry upside down."
