Appreciation

I bear witness to and appreciate the fact that encompassing and accompanying any good work are numerous realities, both seen and unseen. Although my name is on this work, the most important realities involved in producing this work are Allah, Himself; and those who have impressed knowledge and wisdom on my mind and heart. Together, “we” are likened to the “We” often cited in the Holy Quran. In Sura 21:18, Allah states:

Nay, We hurl the Truth against falsehood, so it knocks out its brains,
and lo! it vanishes. And woe to you for what you describe!

As the Giver of all life, all praise, honor, and glory belongs to Allah, the Originator of the Heavens and the Earth. I thank the Supreme Being, in the Person of Master Fard Muhammad, for Giving Humanity Divine Guides in the Persons of the Honorable Elijah Muhammad and the Honorable Louis Farrakhan. I also thank each of these Divine Men for what they have done and continue to do for my family and for me, in guiding us to greater service to Allah and Humanity.

I thank my wife, Karriemah Muhammad; and twin brother, Julian Muhammad, for their assistance in editing the book and providing valuable feedback. I thank my son, Kevin A. Muhammad Jr., for envisioning and creating the book cover that, alone, conveys much about the nature and intent of this Book.

Dedication

This Book is dedicated to the Honorable Elijah Muhammad and the Honorable Louis Farrakhan, and Their Families; and to the Original People of the Western Hemisphere; and to Righteous People throughout the Earth.

What is the Domestic Life?

In one sense, the Domestic Life involves the Messiah's polygamous marriage. Most profoundly, however, the Domestic Life encompasses the protection, reformation, and elevation of women through divine knowledge and governance. This Universal Governance features the leadership of women—with the Messiah, in establishing the Everlasting Kingdom of God.

PREFACE

And it is not vouchsafed to a mortal that Allah should speak to him, except by revelation or from behind a veil, or by sending a messenger and revealing by His permission what He pleases. Surely He is

High, Wise.

[Holy Quran 42:51]

From the very outset, it is important to share my motive for writing about the Domestic Life of the Messiah—a magnificent, delicate, profound, and extraordinarily universally-consequential Subject. Allah (God) already knows my motive. HE sees my heart and HIS knowledge of it is the most critical factor in this Undertaking. Even more, for HIS own wise purposes, some of which are explained throughout this 3-Volume Series, HE guided me in this Endeavor. HE has blessed me to approach this Subject with great care—with the mind that anything written and published about the Domestic Life puts that person or persons on Allah’s radar in an extremely personal way.

Expressing the Domestic Life, both privately and publicly, is very serious with Allah. HIS judgment of one’s motive and integrity regarding this Subject extends to that person’s children and their offspring. In other words, one must be fully aware of the “heavy price” for misrepresenting the Domestic Life. The satanic leaders of the Synagogue of Satan care little about this fact. This is why their doom is sealed.

In a general sense, my motive for writing about the Domestic Life is aligned with the intent of any Believer—that is, to propagate and defend one’s belief in and knowledge of the Workings of Allah through HIS Divine messengers, prophets and apostles. The depth of my motive is manifested in each Chapter, as readers, hopefully, will ponder the many “whys” invoked by the content in these three Volumes. I am presuming that “questions,” rather than judgments, will dominate everyone’s journey through these Volumes.

This 3-Volume Series was written over a 17-year period; and subsequently, reflects my growth in understanding about the Domestic Life, in the Fulfillment of the Messianic Prophecies described in the Bible and Holy Quran. This growth is manifested through the increase in content, going from a single book of approximately 300 pages to three books of

more than 1,000 pages. Each volume will be released according to Allah's Plan.

This 3-Volume Series covers a spectrum of knowledge that conveys fundamental and "advanced" aspects of the Domestic Life—again, in the context of the Fulfillment of the Prophecies, which culminate in the Establishment of Allah's Eternal Kingdom. For readers, some aspects may be more understandable and readily plausible, while others may be more challenging. Nonetheless, readers will be extremely blessed by merely considering the knowledge presented.

In 1998, I began writing about the Domestic Life to capture the thoughts that I knew Allah was revealing to me about this Subject. Through HIS guidance, I became more deeply aware of how the Messiah's Domestic Life fulfills many aspects of the lives of Jesus, Prophet Muhammad and other major prophets, as described in the Bible and the Holy Quran. This is not my personal discovery. This fact is borne of the Teachings of the Honorable Elijah Muhammad, which is the foundation of this 3-Volume Series.

My initial aim was to defend the Domestic Life of the Honorable Elijah Muhammad and the Honorable Louis Farrakhan. Contemporary history has long proved that the most virulent attacks against these Men have been against Their personal lives and the motives behind Their persistent labor among us to deliver the message of truth that Allah commissioned Them to do.

As most people know, the Honorable Elijah Muhammad and the Honorable Louis Farrakhan have been maligned by the satanic leaders of this world. The enemies of Allah have continuously spoken evil against Them, as well as outright lied on Them. Those of us who believe in Allah, and in Them, are always poised to defend Them; and this, indeed, has been a nonstop task in this satanic world.

Despite its opposition to Allah and the Messiah, the Synagogue of Satan is neither the center of the Domestic Life nor the focus of the Defense. In fact, they are becoming permanent casualties because of the Domestic Life. The Defense, in part, assists in this grand and long overdue achievement—the complete removal of this satanic world.

As time progressed, my aim included showing how the Domestic Life is essential in establishing the Eternal Kingdom of Allah on Earth. This is also the ultimate outcome of the Messianic Prophecies.

While undertaking this effort, I realized that Allah was also guiding me to bring much needed clarity to the “obscured” domestic life of Prophet Muhammad, which has been sullied by the satanic leaders of this divinely-condemned world. To this day, 1,400 years later, the enemies of Allah continue their efforts to portray Prophet Muhammad as an immoral man. His marriage to Aisha bint Abu Bakr continues to stir controversy among millions of self-righteous people, eager to condemn that which they do not fully understand. Humanity has benefited from the life and work of Prophet Muhammad.

Prophet Muhammad’s domestic life has also been targeted by opponents of Islam because of the unrighteous conduct of those who claim to be Muslims. These hypocrites have contributed to the widespread abuse of women all over the world. Some of this is caused by their misunderstanding and misinterpretation of the Holy Quran. However, the essential cause of the vast abuse of women is the satanic mind they possess. The same is also true of men claiming to follow Jesus. Several Chapters in all three Volumes address this serious and enduring crisis.

Given that the Messiah fulfills many of the “Last Days” prophecies described in the Bible and Holy Quran, His Domestic Life is interwoven in the historical traditions and accounts of Prophet Muhammad’s domestic life, as well as the domestic lives of other major prophets—such as, Abraham, Moses, David, Solomon and Jesus. Therefore, this “Defense” resolves the controversies surrounding all of them.

This consequential objective is achieved through the correct interpretation of the Biblical and Quranic prophecies, especially the verses that involve domestic and marital relationships. The Messiah has brought the true interpretation of the Bible and Holy Quran, thereby, providing clarity and closure to these controversies. As He does this, He “seals” the prophecies as they are fulfilled during these Last Days. Most of them have been fulfilled.

In August 2006, I decided to publish this Work, but circumstances did not allow me to do it at that time. It was not the right time. Allah required much more knowledge to be conveyed about the Domestic Life. This included wisdom gained from the Honorable Louis Farrakhan’s exquisite teaching on the “divine value” of women and family. I also learned much about my intimate relationship with Him, which was essential to the success of this Work.

I am fully aware that not everyone will agree with everything in this 3-Volume Series. No person has ever achieved 100 percent agreement,

not even Allah. Most people are not knowledgeable enough of the Teachings of the Honorable Elijah Muhammad to put forth a sound argument against the content of this Series. However, this Series will help them learn more about His Teachings, while educating them on the Messianic Mission, which is currently underway.

This rightfully suggests that a great many people do not sufficiently understand the meaning and relevance of “Mahdi,” “Messiah,” and “Christ.” Most of those who preach “Messiah” and “Christ” do not understand His Function in the Last Days when the Messianic Era begins, culminating in the fulfillment of the prophecies. Many so-called religious scholars are utterly confused; and consequently, have confused others through their misrepresentation and misinterpretation of the “Word of God.” My earnest prayer is that this Series will clear up this confusion and help them become better representatives of Allah and His Messiah.

I thank Allah for granting me the honor to participate in HIS Divine Work. I pray that the knowledge gained from this Series will help all those who read it appreciate the “Work” of Salvation that Allah has graced us with through HIS Messiah—the Honorable Elijah Muhammad and the Honorable Louis Farrakhan, and those who are truly with Them.

May Allah Continue to Bless us with the Light of Understanding,

Karriem Allah Muhammad
