## **Hunt Telecommunications Boosts Rank as Fastest-Growing Company**

*Prestigious Business Magazine Inc. Increases Hunt Telecommunications' Rank as One of the Fastest-Growing Private Companies in the Country.*

August 12, 2015 – Hunt Telecom is a Louisiana-based telecommunications company providing fiber, phone, Internet and cloud computing services to businesses and organizations throughout the state. Hunt has once again been named as one of the fastest-growing companies in the nation.

Inc., the highly respected digital and print business magazine, ranked Hunt Telecom at No. 1240 of 5000 fastest-growing private companies in the country and No. 11 of fastest-growing private companies in Louisiana. Hunt's Inc. ranking increased substantially from last year's status of No. 1441 and No. 14 respectively.

From 2011 to 2014, Inc. followed Hunt Telecom's progress and reports that the Louisiana owned and operated telecommunications business added 48 jobs and has seen a growth of 339% over the 3-year span.

“We are immensely pleased to receive continued recognition on both a state and national level from Inc.,” said Jason Hunt, Chief Executive Officer and co-founder of Hunt Telecommunications. “We could not have come this far without our loyal, hard-working employees and are all excited to push Hunt Telecommunications to the next level, expanding our reach and success in our home state of Louisiana.”

Founded in 2004, Hunt Telecommunications is a Louisiana owned and operated company with a vested interest in the community. Hunt is dedicated to offering local businesses a competitive edge with the latest telecom technology.
