LynnCo Awarded Inbound Logistics Top100 3PL for Six Years in a Row

Inbound Logistics has once again recognized LynnCo Supply Chain Solutions as a Top100 3PL.

Tulsa, OK: Inbound Logistics has recognized LynnCo Supply Chain Solutions, a leading supply chain company headquartered in Tulsa, Oklahoma, as one of America's Top100 third party logistics providers. This is the sixth year in a row that LynnCo has been awarded the honor by Inbound Logistics.

"When choosing the 2015 Top 100 3PL Providers, Inbound Logistics editors looked for providers demonstrating excellence in optimizing transportation and logistics operations, as well as transformative solutions that drive integration across internal and external business processes. LynnCo Supply Chain Solutions was selected because its solutions solve specific logistics challenges and improve processes, and create a ripple effect of efficiencies across the entire value chain. Inbound Logistics is proud to honor LynnCo Supply Chain Solutions for innovative solutions empowering logistics and supply chain excellence in 2015."

Inbound Logistics' Top 100 3PL Provider's list serves as a qualitative assessment of service providers we feel are best equipped to meet and surpass readers' evolving outsourcing needs. Distilling the Top 100 is never an easy task, and the process becomes increasingly difficult as more 3PLs enter the market and service providers from other functional areas develop value-added logistics capabilities. Each year, Inbound Logistics editors select the best logistics solutions providers by carefully evaluating submitted information, conducting personal interviews and online research, and comparing that data to our readers' burgeoning global supply chain and logistics challenges. IL editors selected this year's class of Top 100 3PLs from a pool of more than 300 companies. The service providers we selected are companies that, in the opinion of IL editors, offer the diverse operational capabilities and experience to meet readers' unique supply chain and logistics needs.

President Wendy Buxton says, "LynnCo is honored to be recognized as a leading provider of strategic and value-add supply chain services and garner such a prestigious appointment. We are pleased that LynnCo's reputation for innovation and boutique service has set us apart amongst a vast market of competitors."
