LynnCo Receives 2015 Tulsa Business Hall of Fame Award
Tulsa Award Program Honors LynnCo for Fifth Year in a Row

Tulsa, OK: LynnCo Supply Chain Solutions Inc. has been selected for the 2015 Best of Tulsa Award by the Tulsa Award program for the fifth year in a row, qualifying LynnCo for the Tulsa Business Hall of Fame.

Each year, the Tulsa Award Program identifies companies believed to have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and community. These exceptional companies help make the Tulsa area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2015 Tulsa Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Tulsa Award Program and data provided by third parties. Very few companies qualify for the Tulsa Business Hall of Fame due to the rigor of judging criteria. It is a significant honor for LynnCo to gain this achievement after receiving recognition for five years in a row.

President Wendy Buxton says, "As a leading provider of strategic and value-add supply chain services, LynnCo is proud to be involved with and participate in the local economy while also representing global visibility."

About Tulsa Award Program: The Tulsa Award Program is an annual awards program honoring the achievements and accomplishments of local businesses throughout the Tulsa area. Recognition is given to those companies that have shown the ability to use their best practices and implemented programs to generate competitive advantages and long-term value.
