

## **Stonegate Global Announces Its Outsourced COO, CFO & CCO Services – Stonegate C-Suite<sup>SM</sup>**

August 19, 2015 – FOR IMMEDIATE RELEASE

**NEW YORK: Stonegate Global Fund Services** has announced the rollout of the firm's newest comprehensive solution, Stonegate C-Suite<sup>SM</sup>. The Stonegate C-Suite<sup>SM</sup> services group provides an outsourced business solution for alternative investment managers which includes the customary duties and services that are typically performed by the investment management company's internal CFO, COO and CCO. The solution's value-added approach is structured to support and enhance, but not replace, the investment management company's senior operations team.

The Stonegate C-Suite services provides an institutional quality infrastructure which is customized to meet the needs of alternative fund managers, including services such as due diligence requests, investor subscriptions, AML compliance, regulatory compliance, FATCA compliance, management company financial operations, reconciliations, cash management, shadow accounting, audit management and provides daily use of Stonegate Global's resources for other financial and operational requirements.

William Chong, Managing Director at Stonegate Global, stated, "The Stonegate C-Suite solution helps managers optimize their fund by providing back office infrastructure to support fund manager's growth and maximize their full potential."

"The Stonegate C-Suite<sup>SM</sup> solution is part of Stonegate's committed initiative to provide the highest level of expertise, institutional infrastructure and client service to alternative investment managers. The rollout of Stonegate C-Suite<sup>SM</sup> services further demonstrates the firm's ability to identify and build upon unique, industry-leading resources for the benefit of all of its alternative investment managers," said, David Esmie, Head of Operations at Stonegate Global.
