# Total Kitchen Price Estimate

We're determined to help you find the best available pricing for cabinet and countertop installation. Use these price averages to compare IKEA's services against local installers.

Based on your new kitchen design, we've included an average pricing for:

1. IKEA's Kitchen Installation Services (multi-city average)
2. IKEA's custom countertop costs (using IKEA's catalogue square foot prices)

These are only rough estimates used to get started.

# Reminders before buying your IKEA kitchen

- Always re-measure your walls before buying your cabinets.
- The design saved in your Home Planner account will look slightly different than the one we provided you.
- Custom cabinets can't be shown on the IKEA Home Planner.
- IKEA discontinues cabinet sizes or styles without any notice. If this happens, please let us know so we can adjust your design.

# IKEA's Home Planner Item List

This item list has been created with IKEA's Home Planner to make your purchase process easier. Use it to complete your kitchen purchase at your local IKEA store along with our "extra items" list. It's been prepared specifically for your design.

# “Extra Items” List

These items are on a separate list for either of these two reasons:

1. IKEA’s Home Planner didn’t include them in your design.
2. They're components for customized cabinets, panels or fillers.

These items are *NOT* optional.

When purchasing your kitchen use this list along with the one generated by IKEA’s Home Planner.
