

PatientPay Solutions to Sponsor and Exhibit at iPatientCare National User Conference 2015 as a Platinum Sponsor

iPatientCare is Proud to have PatientPay as an Exhibitor/Sponsor at NUCON 2015, November 6-7, 2015.

Woodbridge, New Jersey, September 15, 2015 -- iPatientCare, Inc., a pioneer in mHealth and <u>cloud-based</u> <u>ambulatory EHR</u>, integrated Practice Management and Patient Engagement solutions, announces PatientPay's participation at iPatientCare National User Conference (NUCON) 2015 as a platinum sponsor, exhibiting its fully integrated patient-friendly innovative healthcare billing solutions with iPatientCare Application designed for healthcare providers to eliminate the high cost of patient collections.

iPatientCare is delighted to introduce <u>PatientPay</u> as a sponsor and exhibitor at National User Conference 2015 as a platinum sponsor. PatientPay helps healthcare services suppliers by wiping out the excessive and entangled paper-based charging strategy that drives down the cost and drives up the efficiency connected with this action by as much as \$4.00 per payment gathered. With its inventive arrangement PatientPay doubles the productivity in time to payment it takes with paper statement, healthcare professionals sensed improved cash flow and reduced accounts receivables.

"PatientPay is joining the <u>iPatientCare monthly (VUCONs)</u> and yearly (NUCON) events to demonstrate our integrated paperless billing solution with iPatientCare EHR. We are thrilled to be part of the upcoming 2015 National User Conference and will demonstrate our paperless billing service that helps practices of all sizes and specialties operate efficiently and profitably." - Ryan Rieth; Director of Practice Relationships, PatientPay"

"iPatientCare is happy to have PatientPay as one of the Sponsors/Exhibitors at iPatientCare NUCON 2015 and showcasing its completely coordinated paperless billing option which will advantage our clients to decrease debts and have lower collection expenses." said Pranav Patel, General Manager, iPatientCare.
