

The Rotary Club of Wheat Ridge

would like to invite you to our

Fifth Annual Fundraising

Golf Tournament.

Please Join The Rotary Club Of Wheat Ridge For A Day Out On The Greens

Our fifth annual fundraising tournament will feature 18-holes of golf at the beautiful Broadlands Golf Course, in Broomfield.

Monies collected will benefit the Wheat Ridge Rotary Foundation. The Foundation uses funds to develop and finance community outreach programs. An example of one such program is the creation of a yearly scholarship fund for local high school students, seeking to extend their education in either a four-year University, or a two year technical-college. Also, these funds help to finance our "Feed the Future" Backpack program, where we provide weekend meals for underprivileged elementary-aged students in the area. These descriptions represent a small portion of the numerous, local programs which the Wheat Ridge Rotary Club has created; but, we ask for YOUR help in guaranteeing these programs for the future!
