

LOGiQ³ Once Again Recognized on PROFIT 500

PROFIT magazine unveils 27th annual list of Canada's Fastest-Growing Companies

Toronto, ON, September 17, 2015 - Canadian Business and PROFIT today ranked LOGiQ³ Corp. No. 460 on the 27th annual PROFIT 500, the definitive ranking of Canada's Fastest-Growing Companies. Published in the October issue of *Canadian Business* and online at PROFITguide.com, the PROFIT 500 ranks Canadian businesses by their five-year revenue growth.

LOGiQ³, expert provider of life insurance and reinsurance consulting, outsourcing and training services, made the PROFIT 500 list as no. 460 with five-year revenue growth of 74%. This is the company's sixth consecutive year ranking on PROFIT 500 as one of Canada's Fastest-Growing Companies.

"The PROFIT 500 represent the highest tier of entrepreneurialism in Canada," says James Cowan, Editor-in-chief of PROFIT and Canadian Business. "They should be lauded for the positive economic contributions they've made to their communities—and the entire country. They are examples of what can be accomplished with innovation, discipline and determination."

Ray DiDonna, CEO of LOGiQ³ comments, "At LOGiQ³ we are thrilled to again be recognized for our continued growth by PROFIT 500. We've been on the list a few times and our goal is to not only maintain that presence but also to climb the list further. We have a lot of great opportunities in front of us that we believe will translate into additional revenue growth."

LOGiQ³ continues to experience notable growth. In early 2015, the company completed its first acquisition transaction by jointly acquiring the North American market leader in life reinsurance systems, TAI. LOGiQ³ continues to increase its footprint in the market and expanding its full suite of life insurance and reinsurance value offerings.
