Major Milestone in Online Tutoring - 'Learn Before You Pay'

Tutor Pace, Inc., a leading web based online tutoring and homework help service, is presenting free demo classes to students of all age groups from K-12 and up to the college level in all major subjects including math, science, reading, writing, homework help and test preparation. Students will enjoy 24*7 online tutoring services at their own comfort level from home or on the way. Furthermore, Tutor Pace, Inc. is launching free demo sessions in online tutoring globally this week. As a part of its initial launch, Tutor Pace is offering two additional weeks of online tutoring with the premium plan for any student.
