B.R. WILLIAMS ANNOUNCES MOBILE, AL FACILITY

Press Release

9.15.2015

Mobile, AL-Oxford, AL based B.R. Williams, a trucking, logistics and warehousing firm, announced today that it will open its Mobile Distribution Center on October 1st, 2015 in Mobile.

"The environment of sustained economic growth that has been maintained and cultivated over the last several years in the Mobile market has not escaped the attention of B.R. Williams. This, coupled with the world class port and container port operations has led to our strategic decision to place assets and service offerings in the Mobile market" says CEO Greg Brown.

"It is our belief that the Mobile market will continue to attract all types of firms, including those that would require our services. While that stands on its own, the expansion of the Panama Canal fortifies our decision."

B.R. WILLIAMS ANNOUNCES MOBILE, AL FACILITY

The Mobile Distribution Center will be located at 5360 Commerce Blvd. East, Mobile, off of Rangeline Rd., and will provide jobs for up to 25 employees.

The 147,000 square foot facility will offer a complete suite of distribution/logistics services: cross-docking, LCL consolidation and distribution, complete inventory management, distribution, packaging, kitting, complete supply chain management, drayage, full-truckload and LTL services.

About B.R. Williams-If success is measured by the loyalty of employees and customers, B.R Williams has few peers. B.R. Williams maintains a best-in-class 10% driver turn-over ratio and still has their very first customer from 1958.

With locations in Anniston(2), Oxford, Piedmont, Eastaboga, Tallahassee, FL and now Mobile, B.R. Williams' distribution network supports over 50 customers and another 2500 in the Trucking and Logistics divisions. Industries served include the following: automotive, defense, home improvement, education, food raw materials, textiles, chemical, industrial packaging, metals (finished goods), highway safety and more.

The award-winning B.R. Williams Trucking division currently services all 48 contiguous states and Canada with 165 power units and 650 trailers. The Logistics division offers a complete line of 3PL services: truckload, intermodal and LTL. B.R. Williams is an ISO 9001:2008 Certified company and proud member of the Mobile Area Chamber of Commerce.
