

TeliSIM™

Hosted White Label MVNO Solution

Easily Launch a Global Roaming MVNO Business

TeliSIM™ enables you to quickly launch a highly profitable Global Roaming MVNO business focused on travelers. TeliSIM brings GSM technology into Telinta's cloud-based softswitch platform to cut the costs of Global Roaming. This robust solution includes SIM cards, switching, billing, customer management, top-up and more.

TeliCore™ is our robust carrier-grade platform, integrating Telinta's cutting-edge VoIP solutions with world-class Switching and Billing capabilities from PortaSwitch. With Telinta's highly-customizable white label solutions, you and your resellers can offer a full range of VoIP services in addition to Global Roaming MVNO, all under your own brand.

Cloud-based, rapid deployment,
with no capital investment

Low cost roaming with over 600 mobile
network operators worldwide

Free roaming in over 150 countries

Local Numbers via your DID providers;
your own VoIP Termination providers

Comprehensive training and
Around-The-Clock Technical Support

No GSM technical expertise required

Telinta's Integrated Switching and Billing Platform
