RoseASP Becomes Premier Partner Member of Microsoft Dynamics AX User Group

RoseASP has upgraded its membership with AXUG to a premium membership to help drive thought-leadership within the Dynamics AX community.

SAN DIEGO, Calif. (October, 13 2015) RoseASP, Inc, a provider of [Microsoft Dynamics ERP Cloud](#) managed services, announced today that it has become a Premium Partner member of the Dynamics AX User Group (AXUG).

“Dynamics AX users are often interested in upgrading to the cloud but are not finding the right resources to support the level of compliance, security and service that large enterprises require,” said Linda Rose, Founder and CEO of RoseASP. “Our people, process, and 15+ years of expertise in hosting mission critical systems in the cloud will help educate the AXUG community on compliance, security, and Dynamics AX cloud licensing.”

AXUG is an independent group of Microsoft Dynamics AX software users, partners, industry experts and representatives of Microsoft Corp. AXUG is recognized by Microsoft as the official user group for its Dynamics AX business software.

“Our Premium Partner members are an integral part of the AXUG community. They bring innovative solutions, strategies and expertise to the group, which is of immense value to our members,” said Frank Vukovits, AXUG Director. “AXUG will work hand in hand with RoseASP to increase the value of the community by offering Dynamics AX users many useful benefits. We’re pleased to welcome RoseASP, and we look forward to their contributions to AXUG.”
