Milgard Introduces New Vinyl Window Line for Texas

Grand Prairie, Texas (October 28th, 2015) – Milgard Windows & Doors today introduces a new vinyl window line made specifically for Texas and designed and assembled in Milgard manufacturing facilities in Grand Prairie, TX.

Suitable for both replacement and new construction projects, Hermosa™ Series vinyl windows are made with the premium extruded vinyl for which Milgard is known. The new window line offers benefits specific for Texas architecture and climate needs, such as:

- Sloped sill design protects the window from water infiltration
- Comes in three popular operating styles including Single Hunt Tilt for easy cleaning
- Single Hunt Tilt style comes standard with a DP-50 rating
- Available in large sizes and combinations.

Milgard is the most recognized and purchased vinyl window brand in the Western Region of the U.S., Milgard's primary trading area. Milgard entered the Texas market in 2010.

Hermosa™ Series will be the first Milgard product line manufactured specifically for Texas.

"The window is top of its class and is exactly what the Texas market demands," said Bill Schmidt, Texas sales manager at Milgard. "It features a DP-50 rating on the Single-Hung Tilt, multiple color options, a Full Lifetime Warranty and to top it off it is designed and assembled right here in Texas."

"We will continue to expand operations and offer new and innovative product designed specifically for the Texas market," said Randy Buchanan, general manager of Milgard Texas facilities. "We recognize our customers in Texas have specific desires concerning not only functionally, but also in terms of aesthetic options to complement the architectural style of Texas homes."

Milgard extends a Full Lifetime Warranty, including parts and labor, to the original purchaser of Hermosa™ Series vinyl windows. Milgard will repair or replace any defect in materials or workmanship for as long as the purchaser owns his home.
