

iPatientCare is Pleased to Welcome Alpha II, Northern Physicians Organization (NPO) and Physicians' Desk Reference® (PDR®) On Board as Sponsors at its National User Conference (NUCON), November 6-7, 2015

iPatientCare is Proud to Host Industry Leaders on National User Conference 2015 as Sponsors and Exhibitors at the Event.

Woodbridge, New Jersey, November 3, 2015 -- iPatientCare, Inc., a pioneer in mHealth, cloud-based ambulatory EHR, integrated Practice Management, and Patient Engagement solutions is glad to welcome Alpha II, Northern Physicians Organization (NPO) and Physicians' Desk Reference® (PDR®) aboard at the [National User Conference \(NUCON\) 2015](#) as sponsors and exhibitors.

NUCON the yearly occasion at iPatientCare gives a novel chance to help medicinal services suppliers and their office staff to stay aware of the advancing social healthcare bend. It's an extraordinary gathering for people from healthcare industry who use IT items and administrations on an everyday premise. Every year, this occasion renders a stage that helps healthcare experts to join with specialists, permitting them to examine and find out about industry happenings, item improvements, and rising patterns. Every one of these endeavors are contributed to achieve our comprehensive objective to convey better outcomes, reduced costs, meaningfully through a blend of Education – Exhibition – Entertainment.

The educational sessions have especially been designed to cover all entities in a practice setting; thus focussing not only on Providers and Office Managers, but also on other staff members, including Front-desk staff, Clinicians, Billers, and Medical Assistants.

“Every year, National User Conference hosts a platform that helps healthcare professionals to connect with experts, allowing them to discuss and learn about industry happenings, product enhancements, and emerging trends. Like this year we are having [special session from Centers for Medicare and Medicaid \(CMS\) speaker, Ashley Spence, on CMS Incentives](#). It is our pleasure to have Alpha II, Northern Physicians Organization (NPO) and Physicians' Desk Reference® (PDR®) on board at the grand annual event of iPatientCare on November 6, 2015.” – Pranav Patel, General Manager, iPatientCare.

“We are very glad to be a part of National User Conference 2015 (NUCON). Our experienced healthcare professionals have worked collectively to gather, analyze, and interpret healthcare coding and billing rules and regulations for more than 30 years which will benefit iPatientCare users.” Marty Mann, Business Development, [Alpha II](#)

“We are a physician-led group aligning doctors’ processes, communications, best practices and ideas. We actively participate in the healthcare discussion and create innovative solutions to improve the overall health and wellness of our patients. We are also a health information exchange (HIE) in the state of Michigan. iPatientCare NUCONs cater great healthcare discussions and we are very excited to be part of National User Conference (NUCON) 2015. ” Ed Worthington, Information Technology – [Northern Physicians Organization](#)

“We are very excited to be part of NUCON 2015, our third year running, and are confident that offices using PDR’s suite of PhysicianCare, ScriptGuide, and eCopay services will benefit,” said Mark Heinold, CEO of [PDR](#). “Providing clinical support to prescribers and medication adherence support for patients in the iPatientCare platform, directly within their EHR workflow, enhances every patient encounter.”
