# Focusing on Performance Excellence

Sinclair Group is a global operational and organizational management consultancy with intense focus on delivering meaningful and sustainable results to clients.

We were founded in 1997 and headquartered in Houston, Texas.

We have more than 250 accomplished professionals who average 30-40 years of real-world industrial experience with some of the world's most progressive companies.

**Our solutions are configured and implemented to maximize value creation. We provide discovery, implementation and “after care “services that result in:**

## *Performance Excellence*

### Operational Excellence

### Organizational Excellence

### Maintenance & Reliability Excellence

### Capital Project Excellence

### Turnaround Management Excellence

### Safety Excellence

# Sinclair Group Works with Major Players in Industry

## Examples of our work:

- Currently working with oil & gas company in N.A. to take safety culture and organizational performance to next level
- Engaged with mega-capital project to ensure a successful transition from capital project execution to operational excellence after startup
- Implemented best practices resulting in over \$ 85M savings within the first 18 months at a large petrochemical company (which previously had years of successful Six Sigma projects)

*“Sinclair Group’s Manufacturing Excellence addresses not only a holistic set of integrated best practices in the processes, it also embeds the behaviors needed to sustain and optimize these processes...to ultimately yield financial results.”*
