

# Introducing ConnectSMART SP

## Beautiful Dashboards and Reports

Easy solutions for your business all in one place.

- See the data you want in real time in a single platform
- Starter dashboards and reports make it easy to get going
- Get answers to pressing questions with integrated business intelligence (BI), analytics and reporting
- Print professionally-designed reports you'd be proud to give to your customer, partner and boss
- Fully cloud based or on premise

# Stunning Reports

Professional Reports You'd be Proud to Give to Your Customer, Partner and Boss

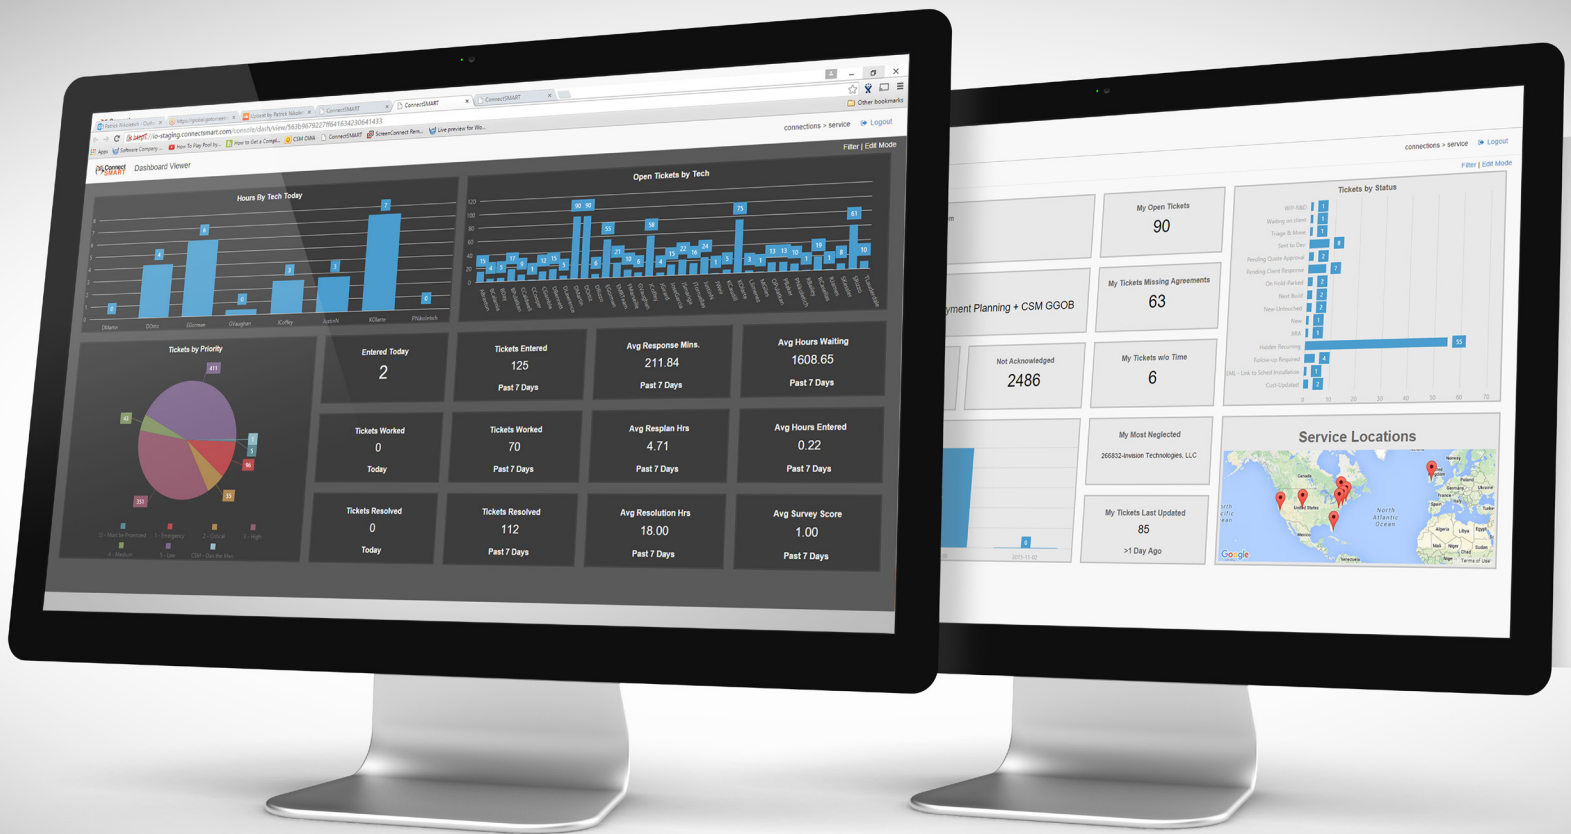

Bring your key performance metrics out from your business systems and produce great-looking reports you can share in seconds. See what's working and what isn't to celebrate wins, fix issues, adjust workloads, and monitor trends.

## Pre-Built Reports That Make You Stand Out

- Owner & Executive Management
- Service Management
- Help & Service Desk
- Dispatch
- Personal Productivity/Tech

# Easy, Proven Dashboards

Get Real-Time Visibility and Impact the Bottom Line

See your most important business data to unite your team around common KPIs and build a smart, productive data-driven culture. Break down the silos to bring focus to Sales, Marketing, Operations, Finance, and Support with beautifully designed KPI dashboards.

## Pre-Built Dashboards Get You Up & Running

- Owner & Executive Management
- Service Management
- Help & Service Desk
- Dispatch
- Personal Productivity/Tech

# Connect Your Business Data into a Single Platform

## About ConnectSMART

Since its inception in 2007, ConnectSMART has become a leading platform for creating beautiful dashboards and reports to manage your business. SP is our ConnectSMART Service Provider platform that is fully cloud based or available on premise. This single solution makes your key business metrics visible from operations to finance and sales to marketing to get you up and running within minutes.
