Attach a 750-word (minimum) written essay explaining your carpet and carpet tile recommendations for at least two rooms of a contemporary home or business, *using products found on the BCV website* (www.bestcarpetvalue.com). The essay should focus on why you chose that particular type and color of carpet for each room, and discuss in detail your considerations based on resiliency, traffic patterns, and exposure. Applicants should also explain how they would go about installing those choices in terms of the foundation type and underlay required. Essays should be original, concise, and factual in nature. Plagiarism in whole or in part without proper attribution will be immediately disqualified and reapplication will not be considered.

The winning essay will be awarded in a formal confirmation process the last week of June 2016 via email and/or certified mail in the form of a check for \$500 payable to a trade school or community college of choice. Payment will be made no later than September 15, 2016. One entry per student. No fee required.

Applicants should be at least a part-time student studying interior design, carpentry, construction, flooring installation, roofing, HVAC, and related fields; and seeking a professional certification or college diploma.
