- DECEMBER 7, 2015 -

Often the average person forgets how difficult and dangerous your profession is until tragedy strikes.

This will be a day to celebrate the dedication, heroism and the invaluable services you provide.

We will share pictures on social media using the hashtags **#FFAD15**, **#1800BOARDUP**, and **#FirefighterAppreciationDay** to help spread the word and expand our appreciation.

Thank you for all you do!
