## **COLLETON RIVER INITIATES EXTENSIVE COMMUNITY ENHANCEMENTS**

**Bluffton, SC** - Colleton River has recently undertaken an extensive, ongoing benchmarking and amenity assessment analysis. It is the Club's intent to stay on the leading edge of golf course community trends and continue to offer an amenity package to its membership that maintains the Club's position as one on the top tier of nationally-ranked private golf course communities.

To this end the Club has recently embarked on a capital campaign intended to both revitalize community assets & amenities and enhance the total profile of amenities offered at the Club. A new playground was completed in August 2015, and an additional tennis court was constructed in September at the Stan Smith Tennis Center. The tennis center is impressive, and is one of the nicest in the lowcountry. In addition to the new court, the existing courts were refinished and palm trees were added to create a more "Colleton-like" aesthetic - beautiful and playable.

"Our Board of Directors has strategically planned to position Colleton River for continued success. We will continue to make investments to enhance and preserve assets for the future, meet the needs of a changing demographic, grow the club's diversity and bring an experience to our members and guests that is unmatched," said Tim Bakels, COO/General Manager of Colleton River.

The complete amenity plan includes:

- New playground- August 2015
- Additional tennis court - September 2015
- Security surveillance system upgrades - December 2015
- Dye course enhancements - 2016
- Borland course renovation - 2106
- Addition of short game area - 2016
- Nicklaus course learning center addition - 2016
- Nicklaus course fairway transition to Celebration grass (state of the art turf) - 2017

### **About Colleton River**

Colleton River is located 1.5 miles from the bridge to Hilton Head Island, South Carolina. This member-owned private golf community features 705 properties situated upon 1,500 acres of unspoiled land, surrounded by 7 miles of scenic shoreline. The award-winning signature 18-hole golf courses by Jack Nicklaus and Pete Dye each have their own distinguished clubhouses as unique as the courses they serve. Golfers also enjoy the Augusta-style, Par 3 Borland Course. Additional community amenities include the Stan Smith Tennis and Swim Center with 6 Har-Tru courts and a Junior Olympic swimming pool; a 6,000-square-foot fitness center; a playground; jogging trails, and a community dock with deep water access as well as 8 dining venues.
