## **Whisperings: Solo Piano Radio "All-Star" Concert and Awards Show**

On Sunday, January 24, 2016 at 3:00 PM,  
join *Whisperings: Solo Piano Radio* for the **Whisperings  
Solo Piano "All Star" Concert and Awards Show** in  
the Grand Ballroom of the beautiful Avenue of the Arts  
Hotel, 3350 Avenue of the Arts in Costa Mesa, CA.

*Whisperings: Solo Piano Radio* is an Internet radio  
broadcast that has vaulted a community of artists, long  
since forgotten about by major record labels, back into the  
ears of consumers. Launched in August of 2003 by award-  
winning pianist David Nevue, *Whisperings: Solo Piano  
Radio* enjoys the participation of over 280 solo piano  
artists from all over the world. The program was the first  
radio broadcast to feature solo piano music exclusively,  
and it is enjoyed by nearly a million listeners each and  
every month.

**The Whisperings All-Star Concert** will feature performances by sixteen Whisperings piano artists (all listener favorites), including live performances from all the *Whisperings Album of the Year* nominees. Dozens of artists from Whisperings radio will be in attendance. At the end of the concert the winner of the **Whisperings Album of the Year** will be announced.

"A Whisperings concert is an 'Event,'" Whisperings founder David Nevue says. "It's a montage of personalities, performance styles, humor and joy." Every Whisperings concert features not only the music, but the stories behind the songs. Laughter, improvisation and audience participation are all part of the show. "We encourage families to come, especially if you have kids who are aspiring pianists. After the concert, parents will be delighted to find their kids practicing the piano with renewed enthusiasm! Even if you don't consider yourself a 'fan' of piano music, you're going to be surprised how much you enjoy the concert."

*Whisperings: Solo Piano Radio* invites you to come and enjoy an evening of storytelling and song with some of today's most talented players and composers. There will be a meet and greet with the artists afterward.

Tickets are \$35 and can be purchased online at [SoloPianoAwards.com](http://SoloPianoAwards.com)
