

GOVCON TRAINING IN GUAM

Join us

Training opportunities to support
our government contracting community.

Learn more:

Capital Edge Consulting GovCon experts invite you to a two-day on-island seminar March 9-10, 2016 at the Westin Resort to learn the key fundamental and requirements of government contracting.

Our goal is to support businesses of all sizes by limiting travel and lodging costs with industry experts while connecting our contractors for some unique networking opportunities. The seminar will provide support for those entering into government contracts, as well as those looking to expand the contracting business they already have.

Agenda

Our goal is to support businesses of all sizes by limiting travel and lodging costs with industry experts while connecting our contractors for some unique networking opportunities.

PROPOSED AGENDA-DRAFT

Fundamentals of Government Contracting

- Overview of Federal Marketplace
- Overview of the Federal Acquisition Regulation
- Procurement Methods
- Contract Types
- Types of Cost
- Accounting and Business System Requirements
- Government Audits and Compliance Risks
- GSA Schedule Contracts

Construction Contracts

- Socioeconomic Requirements
- Changes
- Time Related Notices – Delay, Suspension, Stop-Work
- Direct and Indirect Costs
- Liquidated Damages
