# RISE™

CONCEALABLE ARMOR SYSTEM

A NEW ERA IN PERSONAL PROTECTION

## THE SMARTEST SYSTEM EVER DESIGNED

### COMFORTABLE

- QuadCore Attachment System™ ensures a repeatable fit for quiet adjustment and long-lasting security and comfort
- Ballistic Suspension System designed for optimal weight distribution
- Seven points of adjustment ensure a tailored and secure fit
- Breathable, antimicrobial mesh liner for odor and moisture management

### VERSATILE

- Ballistic packages available in NIJ Level IIIA and NIJ Level II threat levels
- Low profile, laser-cut panels for PALS/MOLLE-compatible attachments
- Concealed front and rear plate pockets accommodate multiple plate sizes and allow for vertical adjustment
- Carrier available for both male and female officers

### DURABLE

- Outershell constructed of high performance materials — including CORDURA® nylon and polyester which provide resistance to abrasions, tears and scuffs — for years of service and satisfaction
- Attachment panels made of exceptionally durable, tear-resistant material
- Critical adjustment and access points reinforced for extended lifespan

### PRODUCT DETAILS

#### CARRIER SIZES

- Available for male and female officers
- Variety of sizes

#### CARRIER COLOR OFFERINGS

- Black
- Additional colors available upon request
