About The Hanover Theatre

The Hanover Theatre continues to draw over 170,000 patrons annually with world-class performances and headlining acts including Broadway hits (“Les Misérables,” “Jersey Boys,” “Camelot”); comedians (Dave Chappelle, Jay Leno, Daniel Tosh); musical acts (Neil Young, Aretha Franklin, John Legend); and everything in between (“A Christmas Carol,” Maya Angelou, Rudy Giuliani, Alvin Ailey American Dance Theatre). Consistently ranked by POLLSTAR as one of the Top Theatres in the World, the theatre opened in March of 2008 following a \$32 million historic renovation. Over the last seven seasons, the theatre has established its place as a world-class performing arts venue, acting as a catalyst for the economic development of downtown Worcester. In the spring of 2015, the theatre finalized the purchase of a vacant, three-floor former office building with street-level retail space at 551 Main Street. The building will ultimately house office space for theatre administration, function areas, a restaurant on the ground floor and an educational space on the lower level. The building is set to open in 2016.

Worcester Center for Performing Arts, a registered not-for-profit 501(c)(3) organization, owns and operates The Hanover Theatre for the Performing Arts. All donations are tax deductible to the fullest extent allowed by law.
