

Tampons and Toilet Paper

The Bloody Truth

10%

Math Facts

8.5 Million Women

x 24 rolls per year¹

204,000,000 rolls per year

Rolls of TP are required to cover a years worth of tampons for one girl¹

1 Tree makes roughly 1,440 rolls of TP²

The Change Starts With You

There is a better way. Join the MaskIT Movement & together, we can make a difference.

¹ Based on an avg of 20 squares per tampon change, with 26 tampons used during the menstrual cycle³ ² Stats based on an article written by David Pankhurst with utopiamechanics.com ³ <http://www.womenhealth.gov/publications/our-publications/fast-sheet/menstruation.html>

MaskIT offers more than a convenience.
