

CHRONOS SOLUTIONS... IT'S TIME.

INTRODUCING THE NEW STANDARD IN REAL ESTATE FINANCE SERVICES.

Time for a real estate finance services firm flexible to your needs.

Time for a partner that easily handles high volume with concierge-level customer service.

Time for the next generation of national service provider.

It's time for Chronos Solutions.

Chronos Solutions delivers industry-leading services for all segments in the mortgage and real estate industries. We're capable of supporting the largest national businesses, and we do it with the same attention to detail you'd find with an elite boutique firm. In spite of our size and wealth of resources, we're built on flexibility. With our extensive partner networks; vast repositories of data and imbedded technology that allows us to adapt at a moment's notice, we're an unusually nimble national provider.

We deliver services in the following areas:

- Title and settlement services
- Valuations
- Tailored credit and verification services
- HOA solutions
- Accelerated asset liquidation and marketing
- REO asset management and disposition
- Field services
- Asset acquisition and investor services
- Innovative technology applications and systems

Chronos serves national lenders and banks; federal agencies; GSEs; mortgage servicers and many others. We can help you with a very specific need or provide end-to-end solutions across the mortgage and real estate transaction. Contact us to see the future of real estate finance services.

It's time.
