

THE PHILIPPINES SUSTAINABLE SEAFOOD WEEK

LOCAL SOLUTIONS FOR CHANGE

Manila
February 15-21, 2016

Learn more about the status, challenges and solutions toward more sustainable seafood in the Philippines from government, seafood industry, NGO and other partners. See and taste how hotels and restaurants are responding to the need to shift business practices to more responsible sourcing. Find out how you can be a part of this change.

Events are happening throughout the week at participating outlets including:

Opening & Closing Events • Special Sustainable Seafood Menus & Buffets
Technical Workshops • Masterclasses • Live Cooking Stations • and more!
