iPatientCare is Pleased to Welcome BillFlash as a Guest Speaker at VUCON February 2016 Session

iPatientCare and BillFlash teamed up for VUCON February 2016 Session to educate users with the capabilities of iPatientCare and to display integrated suite of services provided by BillFlash

Woodbridge, NJ, February 17, 2016 — iPatientCare, Inc., a pioneer in cloud-based ambulatory EHR/ Practice Management System and Value-Added Revenue Cycle Management Services, is glad to welcome BillFlash at VUCON February 2016 session as a guest speaker.

iPatientCare is committed to stay linked with their esteemed end users for Education, Exhibition, and Entertainment, hence have organized series of knowledge dissemination sessions every month named Virtual User Conferences (VUCONs). The upcoming VUCON February 2016 session has been designed to highlight Specialty Based Features in iPatientCare EHR and demonstrate the integrated Suite of Billing and Payment Solutions by BillFlash in iPatientCare application.

BillFlash has partnered with iPatientCare to enhance Billing & Payment usability in iPatientCare Application in 2015. With numerous innovations, BillFlash has expanded its services to include paperless eBill, online ePay, and in-office OfficePay in 2012 plan to display complete suite of services that works cohesively with iPatientCare application and users will be able to see these features at VUCON February 2016 session.

"We are very proud to partner with BillFlash' said Pranav Patel, General Manager, iPatientCare 'iPatientCare continues to evolve its integration platform to accommodate partnerships like services from BillFlash which assists iPatientCare customers to reduce costs with improved patient care."

"BillFlash is pleased to participate in the iPatientCare VUCON February 2016. Attendees will learn about the unique services that we have to offer which will Get Them Paid faster. BillFlash is a suite of billing and payment services that work seamlessly and will increase the patient payments. The session will demonstrate how these services work and educate the users on how they can try it FREE for 30 days" Shelly Boisvert, Director of Business Development.
