**LIGHTHOUSE MEDIA SOLUTIONS TO DEBUT
PLYMOUTH MAGAZINE IN SPRING 2016**

HYANNIS, MA: Lighthouse Media Solutions has announced that the premiere issue of *Plymouth Magazine* will be on newsstands in May 2016. An upscale, glossy coffee-table publication, *Plymouth Magazine* will be modeled after Lighthouse Media Solutions' 13 other regional lifestyle magazines, which include *South Shore Living*, *Cape Cod Magazine*, *Southern New England Weddings*, *New England Boating* and, most recently, *Hingham* and *Falmouth* Magazines.

Plymouth Magazine will celebrate "America's Hometown" as it prepares for 2020, when it will mark the 400th anniversary of the voyage of the *Mayflower* and the founding of Plimoth Colony. The annual publication will showcase Plymouth's vibrant history, culture and community as well as highlight everything from the town's natural beauty and rich music and dining scene to its historic museums and landmarks, all of which make it a destination of both national and international importance.
