TruShield Security Solutions, Inc. Signs On As Sponsor for the Beer Institute's 12th Annual Brewer's Ball

TruShield to Participate in DC Event Sponsored by the Beer Institute, Matchbox Food Group, and Anheuser-Busch, Benefiting the Cystic Fibrosis Foundation

Dulles, VA (February 28, 2016): TruShield Security Solutions, Inc., a global cyber security solutions company, is the Tasting Glass Sponsor for the Beer Institute's 12th Annual Brewer's Ball, presented by the Matchbox Food Group and Anheuser-Busch. All funds raised for the event will benefit the Cystic Fibrosis Foundation.

"We're proud to support the Cystic Fibrosis Foundation," says TruShield Principal and Executive Vice President, Adley Francois. "The Brewer's Ball is a fantastic event for a great cause. The donations from the event make a difference in the lives of those suffering from cystic fibrosis."

The Brewer's Ball will be held on Saturday, March 5, 2016 at 7:00pm at the National Building Museum in Washington, DC. The event allows guests 21 and over to sample handcrafted beers and food from the region's craft breweries and restaurants.

Event details can be found here: <https://dcbrewersball.eventscff.org/>

In lieu of attendance, donations to benefit the Cystic Fibrosis Foundation can be made here: <https://dcbrewersball.eventscff.org/site/participate.do?siteIdCode=R4S50BAT&tab=donation>

About The Beer Institute: The Beer Institute is a national trade association for the American brewing industry, representing both large and small brewers, as well as importers and industry suppliers. First founded in 1862 as the U.S. Brewers Association, the Beer Institute is committed today to the development of sound public policy and to the values of civic duty and personal responsibility: www.BeerInstitute.org. Connect with us [@BeerInstitute](#) and on [Facebook](#).

About the Cystic Fibrosis Foundation: The Cystic Fibrosis Foundation is the world's leader in the search for a cure for cystic fibrosis. The Foundation funds more cystic fibrosis research than any other organization, and nearly every CF drug available today was made possible in part through Foundation support. Based in Bethesda, Md., the Foundation also supports and accredits a national care center network that has been recognized by the National Institutes of Health as a model of care for a chronic disease. The Cystic Fibrosis Foundation is a donor-supported nonprofit organization. For more information, go to www.cff.org.

About TruShield: TruShield Security Solutions, Inc. (www.trushieldinc.com) is a global provider of concierge cyber security solutions. Founded in 2008 by a group of cyber security experts with backgrounds in Finance, the Federal Government, E-Commerce, Healthcare and Legal industries, TruShield's mission is to enable organizations of all sizes to access advanced
