

## **VIRtual DIstribution KOMpany**

VirDiKO Global Music Promotion is a premier online marketing/promotion firm positioned to effectively electronically deliver music to our database of subscribers that is comprised exclusively of DJ's and Entertainment Industry Professionals. The VirDiKO subscriber database is global in scope and our clients (artist and records companies) directly employ us to build immediate awareness of the artist and music project via the VirDiKO digital platform [www.VirDiKO.com](http://www.VirDiKO.com)

### **2016 VirDiKO MUSIC & DJ NETWORKING MIXER**

VirDiKO Global Music Promotion is proud to host the highly anticipated and extremely effective Music & DJ Networking Mixers. This special event is held periodically throughout the year in selected strategic cities. Our overall objective is to provide a convenient networking atmosphere for professional Disc Jockeys, Artists and Entertainment Industry Professionals within and near the market/region. Expected attendance is 500+ DJ's and music enthusiasts of all genres with event time scheduled from 2p – 12a.

While networking is the overall objective during the Music & DJ Mixer, we also use this ideal meeting opportunity to discuss trends in the DJ craft, introduce new and innovative technologies and products, recognize individuals and companies for positive contribution to the entertainment community and observe live performances by established and emerging DJ's, artist and music groups.
