# experience

## Creating a positive MAAX experience drives our every decision

Our top priority is making all aspects of working with MAAX as enjoyable and easy as possible. From simplifying the selection process, to fast, reliable deliveries and innovative features that make our bathware easy to install and enjoy. Our culture is focused on you, fueled by passionate employees committed to quickly and completely addressing your needs, so that every point of interaction reinforces a great MAAX experience.

## We never stop innovating to serve you

Our innovation is driven by listening to your needs, with significant customer involvement throughout our development process. With three robust R&D centers and one of the category's only dedicated research and development teams, we are the industry leader in innovation — passionate about finding creative new ways to make the bathware experience easier, more productive, more successful and more enjoyable for you.

## Complete bathware solutions

We are your single source for complete bathware solutions, and we keep our finger on the pulse of the industry to continually refine our product offering with the fresh, in-demand styles and features you're looking for.

# on-trend

## Three series to answer every bathware need

Our three product series simplify and streamline the product selection process. Each one brings together a set of product lines focused on distinct bathware needs — from the functional and efficient to the beautiful and high-end. No matter what the project, you can create inspiring results to be enjoyed for years.

---

# forward

A better experience means always moving forward

We're inspired by you. You're constantly in motion, and never stop looking ahead. And your style is constantly evolving, helping refine the trends of tomorrow. That is why we believe to best serve you, we must always be moving forward — never complacent — finding new ways to enhance your success and enjoyment. We never stop asking questions or exploring innovative new opportunities to make business easier, products better and results more inspiring, no matter what the project. We are driven to continuously push the bounds, creating the best possible bathware experience.
