CONTRACT SOFTGEL, CAPSULE & LIQUID FILLING

THE NUTRAPAK USA ADVANTAGE

NutraPak USA provides quality private-label softgels, gelcaps, caplets, tablets and capsules in plastic bottles, blister packs or pouches, and liquids in glass or plastic bottles, utilizing a wide variety of caps, pumps and seals.

We provide the highest quality raw materials and the industry's best filling, packaging, warehousing, marketing and shipping services. All with a high level of customer care and extremely competitive pricing for private label retailers and contract manufacturers. Our clients' products are sold in Walmart, Walgreens, CVS and all other major retailers. We work closely with leading brands, distributors, and private labelers to produce special formulas for their respective markets.

With unparalleled packaging excellence in our own 10,000 sq ft facility in Clifton, New Jersey, we provide custom manufacturing solutions to fit the needs of clients large and small, nationwide. We solve manufacturing problems and provide real solutions no matter what the nature and extent of the project. Our experience and expertise runs deep. Our commitment to quality, integrity, and our clients' success is stronger than ever.

Whether your company is well-established or in its start-up phase, NutraPak USA welcomes the challenge to step up to the plate and dedicate its state-of-the-art manufacturing and production resources to fulfill the packaging needs of your company and your contact packaging needs.

PRIVATE LABELING

NutraPak USA is your trusted supplement and vitamin manufacturer – we employ highly skilled laboratory scientists and formulators to provide our clients with in-depth R&D, quality control testing, and product analysis to ensure that you receive outstanding quality products. Our highly efficient, streamlined system, along with our large volume capabilities, allows us to offer low pricing and fast turnaround times.

TURN-KEY BRAND MARKETING

Unlike other supplement manufacturers, we provide customized marketing, package design & graphics, labeling, fulfillment, and all busdev solutions. We assist you in developing, formulating, manufacturing, marketing and distributing your product. With East and West Coast warehousing, we'll handle your product storage and shipping, making fulfillment easy and effortless.

CONTRACT MANUFACTURING

We do it all. Bottle Filling: Softgel, capsule, tablet, liquid, pouch. Blister packing. Counting and filling. Capping. Induction sealing. Label creation, printing, application. Shrink wrapping, cartoning, outer packaging.

STATE-OF-THE-ART FACILITIES

We'll work with you to produce the product you already have in mind or help you develop and create your own custom formula. High Speed Bottling. Packing technology for longer shelf life. Stronger, impact-resistant bottles. Quality materials to prevent contamination. Nitrogen environment to prevent oxidation.

PRIME QUALITY ASSURANCE

Our meticulous and stringent standards include rigorous materials testing, our Supplier Qualification Program, quality-control lab, world-class production facility, environmental-monitoring, packaging QA for product integrity, and 3rd-party analysis.

PRIME QUALITY CONTROL

Procedures to confirm that finished products meet or exceed customer's benchmarks using active ingredient assays, dissolution/disintegration methods, digestion simulation for bio-absorbability, microbiological purity testing, and GMO testing.
