

24" Marvel Outdoor Refrigerator and Freezer with Ice Maker Option

Model # MO24RF****

- CSA certified for outdoor use to withstand elements like rain, high humidity and heat
- Tested to perform in temperatures as high as 115°F
- Corrosion-resistant stainless steel exterior, commercial-grade 6-foot power cord, sturdy pro-style handle and rugged stainless steel toe kick
- Dynamic Cooling Technology™ delivers rapid cooldown and the industry's best temperature stability
- MARVEL Intuit™ Integrated Control ensures precise refrigeration temperature management from 34° to 42°F to chill drinks and preserve the freshness of food, and freezer temperature can be set from -6° to 6° F to keep contents evenly frozen
- MaxStore™ roller-glide clear-view bin provides maximum capacity to conveniently store and access loose produce, bottles, cans, wine bottles and other miscellaneous items
- Adjustable cantilever shelving allows easy customization to meet your changing storage needs
- Pristine arctic white interior is easy to wipe clean, even in the corners
- Efficient white LED lighting brightly illuminates interior for better viewing of contents
- Interior 1 cu. ft. freezer with self-closing door is large enough to hold up to 12 pints of ice cream
- Optional ice maker kit available to produce and store up to 13 lbs of crescent ice (Accessory part #S42418151, Field Installable)
- Close Door Assist System™ gently and automatically finishes closing door
- Audible and visual alarms signal when door is left ajar to protect food freshness and minimize energy use
- Vacation/Sabbath mode conserves energy during times when the unit is not in use and complies with Sabbath requirements
- Door lock provides added security
- Height adjustment up to 1" with leveling legs
- 4" adjustable stainless steel toe kick
- 1-year parts and labor warranty, 5-year sealed system warranty

Optional Ice Maker
