

EarthBend Distribution to Exhibit at 2016 Channel Partners Conference and Expo

Will Showcase Its Portfolio of Leading Technology Solutions from the Industry's Top Manufacturers

SIoux FALLS, S.D., March 15, 2016 — [EarthBend](#), a premier value-added distributor of business telecommunications and IT solutions, today announced it will be exhibiting at booth 918 at the [2016 Channel Partners Conference and Expo](#) being held March 16 – 18, 2016 at the Venetian Sands Expo & Convention Center in Las Vegas, Nevada.

Channel Partners Las Vegas is the gathering place for the technology services community. This year, more than 5,000 agents, VARs, MSPs, integrators and service providers are expected to converge to share ideas and drive discussion on the key topics shaping the IT industry. Equal parts networking, exploring and learning, the Channel Partners event equips attendees to better serve clients, conquer new markets and drive business to new heights.

Channel Partners attendees can learn more about the many different technology offerings in the EarthBend distribution portfolio that span a diverse range of product categories, including unified communications, data networking and storage, audio and video conferencing and security solutions. EarthBend vendor partners also exhibiting at Channel Partners include ClearOne, Konftel, Mitel and VTech Communications, Inc.

"We look forward to connecting with new and existing partners at this year's Channel Partners event. This conference allows us to showcase the comprehensive suite of vendors and technologies we offer and discuss with attendees the many ways in which EarthBend's value-added support can deliver a competitive advantage to their organizations," said Ryan Donovan, general manager and vice president of sales and service at EarthBend.
